

Zanzibar INVESTMENT SUMMIT 2026

SHAPING ZANZIBAR'S NEXT
GROWTH STORY.

SPONSORSHIP PACKAGES

Building on the success of the inaugural Zanzibar Investment Summit in Pemba, themed '**It's Time for Pemba,**' ZIS 2026 aims to expand the archipelago's investment narrative. The first edition served as a watershed moment, establishing Pemba as a rising investment hub and underscoring the Government's dedication to balanced, inclusive growth.

The Zanzibar Investment Summit (ZIS) 2026 presents a selection of sponsorship packages, meticulously structured to accommodate varying requirements for engagement, access, and executive support. Each package grants entry to all core programme sessions, with our elevated tiers affording guests a suite of additional privileges and specially curated experiences.
